the sector ↘

thursday 19th september
11:15-14:15

This special event, hosted in Aberdeen on Thursday 19th September, in partnership with Homeless Network Scotland, aims to celebrate and recognise the homelessness sector. We are bringing together representatives from across a range of support services and sectors that showcase the huge array of disciplines and expertise required to prevent and end homelessness.

You have been nominated by your organisations for your tireless efforts, and during the event, you will enjoy a lunch, as well as hear from inspirational and informative speakers. The event will serve as an opportunity to thank you for your work and bring together colleagues to share best practice, learnings and further develop local networks. We will also be joined by special guests including Homeshards Advocates David Duke and Gail Porter.
